

TERMS AND CONDITIONS

These TERMS AND CONDITIONS (these “Terms and Conditions”) set forth below are associated with the Membership Agreement (the “Agreement”) that has been entered into by and between the member listed in the Agreement (each and collectively the “Member”) and Workville LLC (“Workville”).

1. Defined Terms. This document in conjunction with the Agreement constitutes the entire agreement between Member and Workville and explains the details of your membership. All capitalized terms used but not defined in these Terms and Conditions have the meanings assigned to them in the Agreement.

2. License; Not a Lease. Workville grants Members a license to use and occupy the Office and/or Facility (collectively, as applicable, the “Premises”) as described in the Agreement, subject to these terms and conditions. Members shall have no real property interest in or other rights to the Premises; and this License is non-exclusive, revocable at will by Workville and not transferable. This license is not intended to create a lease or any other interest in real property in favor of Members, but merely creates a license revocable at will by Workville. Workville’s right to revoke this License is not subject to or contingent upon whether the Member is in default of the terms of this agreement. Notwithstanding anything to the contrary elsewhere in this Agreement, Workville and Member agree that this Agreement does not create a landlord-tenant relationship (nor does such a relationship otherwise exist), and this Agreement shall not in any way be construed as to grant Member any title, easement, lien, possession or related rights in the Facility, Workville’s business or anything contained in the Facility. This Agreement does not create a tenancy interest, leasehold estate or other real property interest. This Agreement shall not be construed to create a fiduciary or agency relationship, partnership or joint venture. Both parties agree not to misrepresent the relationship.

3. Term; Termination. This Agreement will be effective when signed by both parties and the Member has paid the fees due upon execution hereof, including the Set-Up and Commitment Fee. Each membership will begin on the Commencement Date identified in the Agreement with the monthly payment due (or, with respect to memberships added after the commencement of the term, upon addition of such individual to the Members List of authorized users). Unless terminated by Workville pursuant to the license, each membership will terminate upon the earlier of the following: (i) the Expiration Date (unless otherwise extended); (ii) the termination of this Agreement pursuant to these Terms and Conditions; (iii) the Member’s removal of an individual from the Members List of authorized users, and (iv) Workville’s notification that a user has violated the Terms and Conditions, Agreement or its rules of the Building and Facility. If the Commencement Date is a Business Day, Members will be entitled to move into the office space on the Commencement Date. If the Commencement Date is not a Business Day, Members will be entitled to move into the office space on the first Business Day after the Commencement Date no earlier than 10 a.m. Following the Term outlined in the Membership Agreement, or at any time in the event there is no Term or such Term is noted at “Automatic Renewal”, Member may terminate this Agreement by providing written notice to Workville at least thirty (30) days prior to the termination, which shall become effective the last business day of the calendar month following the Member’s written notice. Members agree to specify only the last business day of the calendar month as the termination date and will not be entitled to proration with respect to such last month’s membership fee. For example, if a Member delivers a 30-day termination notice on December 16 (or anytime between December 1st-December 31st), the termination will not be effective until January 31. This paragraph also applies to changes of office space within Workville available spaces. On such a business day, members must vacate the office space no later than 5:00 p.m. Workville may terminate this Agreement immediately upon a breach of this Agreement by a Member or individuals in the Members List or upon a loss or modification of Workvilles’ right to operate the Facility. Workville may terminate the membership at any other time with or without reason by providing thirty (30) days written notice. Notwithstanding any termination of this Agreement, the Member shall remain liable for amounts incurred prior to the date of termination. Prior to termination of this Agreement, Members shall immediately remove all of its personal property (and that of any of its guests or individuals from the Members List) from the Facility. After providing reasonable notice to the Member, Workville shall be entitled to dispose of any property remaining in the Facility after the termination hereof, and Member waives any claims or demands regarding such property. The Member shall be responsible for any fees incurred in connection with such removal and disposal. Following the termination of this Agreement, Workville will not forward or hold mail or other packages delivered to Workville.

4. Delay in Delivery of Premises; Lack of Space. In the event that Workville is unable to make sufficient office space available to Members on the Commencement Date, Members shall not be liable to make payments of the monthly membership fee until the space is made available to the Member. Workville shall not otherwise be liable to Member in any way on account of its inability to make such space available nor should it affect the validity of this agreement. However, if the office space is not available within fifteen (15) days of the Commencement Date, Member may terminate this agreement by providing written notice prior to the office space being made available. If the Member terminates agreement under this provision, Workville will refund all fees received from the Member.

5. Security Deposit. Member has deposited the Commitment Fee as security for Member’s compliance with this License. Upon submitting a completed signed agreement, Members shall be obligated to pay the non-refundable Commitment Fee and set-up fee described in the Membership Details. This agreement will be effective only upon Workville’s receipt of the signed and completed agreement and the payment of these fees. On the start date, the Commitment Fee will convert into a Security Deposit, provided however that the Security Deposit is not intended to serve as a reserve from which fees are to be paid. The remaining and unused portion Security Deposit will be returned to Member not later than forty-five (45) days following the termination of this Agreement, provided that Member has completely satisfied all obligations hereunder including but not limited to (i) the expiration of the Term of this License, (ii) the removal of Member’s personal property from the Office, (iii) Member’s payment in full of any and all License Fees and other fees due hereunder, and (iv) the return to Workville all of the Building and Office keys and identification cards provided by Workville. If Workville must replace the identification cards, Members will pay, on demand, an additional fee of \$50.00 for each card or key. If a

Member has not satisfied any of the obligations hereunder, including without limitation the termination notice requirements described below in Section 5, Workville shall have the right to retain all or a portion of the Security Deposit in its discretion. Workville shall have no duty to maintain the Security Deposit in an escrow or interest bearing account and such funds will be available for use by Workville for the duration of the Member's Membership as provided herein. Members acknowledge that the Member is not entitled to any interest in the Security Deposit. If Member wishes to voluntarily change its Membership Level to one(s) carrying higher monthly fees, Member shall deposit with Workville such additional funds (to be a part of the Security Deposit) in an amount necessary so that the Security Deposit shall at all times be equal to two (2x) month's Membership Fee by check or two and half (2.5x) months by card. In the event the Term of this License is less than thirty (30) days, the Member shall pay a refundable charge of \$250.00 to cover the cost of repairs, maintenance and administrative fees in connection with Member's occupancy. Members shall not use the Security Deposit as payment for the License Fee for the last (or any other) month of the Term, or any extension thereof. However, in the event a Member defaults in respect of any of the terms, provisions and conditions of this License, Workville may apply the Security Deposit to the extent required for the payment of any money due to Workville. If all or part of the Security Deposit has been utilized by Workville as permitted herein, Members shall replenish the Security Deposit immediately, and upon failure to do so, shall be deemed to be in default hereunder. In the event of a transfer by Workville of its interest in this License to a third party ("Transferee") in connection with a sale, transfer or assignment of any underlying lease, or of the Building, Workville may transfer the Security Deposit to the Transferee, and Workville shall thereupon be released from any and all liability for the return of the Security Deposit, and Member shall look solely to the Transferee for this purpose. Member agrees (i) that any such transfer or assignment shall not be deemed a waiver by either Workville or the Transferee, of any of the rights granted and reserved by the Workville under this License, (ii) that any such transfer or assignment shall not be construed as evidence of Workville's and Member's intention that this License be deemed anything other than a license, and (iii) that any such Transferee shall enjoy and enforce all of the rights conferred on Workville by this License.

6. License Fees. During the term, Members agree to pay to Workville the Total Monthly Membership Fee ("License Fee") on the first day of each month during the Term, at the office of Workville at the Building, or such other place as Workville may designate in writing. The Monthly membership fee covers only the number of members specified or approved by Workville. In the event that a Member requires use of the facilities by additional individuals above the Capacity listed in Membership Details, additional charges or an increased monthly membership fee will be incurred. The Member is responsible for all charges incurred in accordance with Workville's fee schedules listed in the Membership Details and updated on Member Portal. The full fee schedule is available for review on the Member Portal. In addition to the License Fee, Member shall pay, on demand, as additional fees, if the License Fee is paid more than ten (10) days after its due date interest on the unpaid License Fee at the rate of 18% per annum from the date first due until it has been paid in full ("Late Charges"). Notwithstanding anything mentioned to the contrary, Workville may withhold services or terminate this Agreement if any fees remain outstanding after five (5) days or if Member otherwise does not comply with these Terms and Conditions. After the Term of this License, the License Fee may be increased by Workville by notifying Member at least thirty (30) days prior to these increases and post the updated fees on the Member Portal, except fees for overages for printouts/copies and conference room credits are subject to increase from time to time. Workville will notify Members at least thirty (30) days prior to these increases and post the updated fees on the Member Portal. In the event that Workville shall permit Member access to and use of the Office prior to the Commencement Date, such access and use shall be subject to all of the terms and conditions set forth herein, and the Member's obligation to pay the License Fee shall commence on such earlier occupancy date.

7. Form of Payment. The Member shall pay all amounts due hereunder by direct withdrawal from its bank account or by credit card. If a Member elects to pay via direct withdrawal, it agrees to maintain a current voided check with Workville, maintain sufficient funds in the account to pay amounts incurred hereunder and to inform Workville promptly of any changes to the account. If a Member elects to pay via credit card, it agrees to inform Workville promptly of any changes to the account and to replace the card upon expiration. Changes to a member's form of payment may result in an additional security deposit. Changes to payment methods will not be accepted in the last fifteen (15) days of the calendar month. If payment via credit card fails for any reason, Workville may require Members to make payments via direct withdrawal plus a \$50 fee per failed attempt. Upon receipt of funds, Workville will apply funds first to any balances in arrears and to the earliest month first, and thereafter to any current charges due. Payment by credit card or Paypal shall be subject to a 3.0% fee on the amount charged, at this time.

8. Use. The Office and Facilities shall not be used by Members for any purpose other than as set forth Agreement, and such use shall be further governed by the terms and conditions set as follows: i.)
